MACON COUNTY HIGH  
MONTEZUMA, GA  
VOL. VII

# OUR TRADITIONAL MARKS

It is traditional that our faculty includes more in the educational day than just academics. We learn trust, honesty, and discipline by examples of good leaders.

We are fortunate to have many clubs filled with hard working members participating in service and community projects.

Our students strive for excellence in all fields. The Bulldog is well dressed with the latest fads, and right on target with the latest sounds.

Yet we are bound by traditions established by former classes to uphold the Bulldog name in all our endeavors.

Hear us Bark.

# 50 YEARS OF COACHING

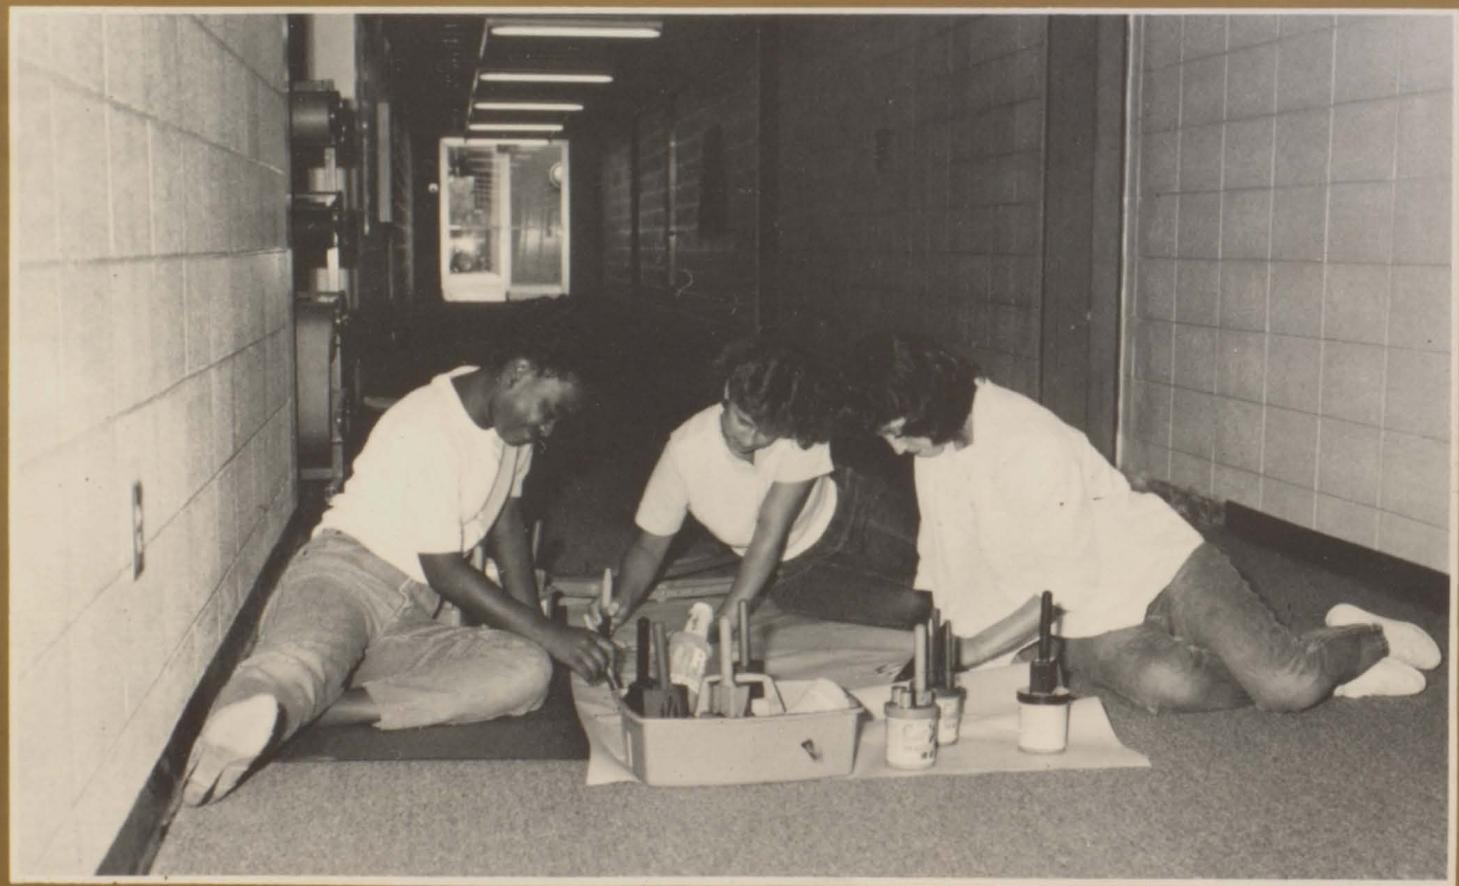

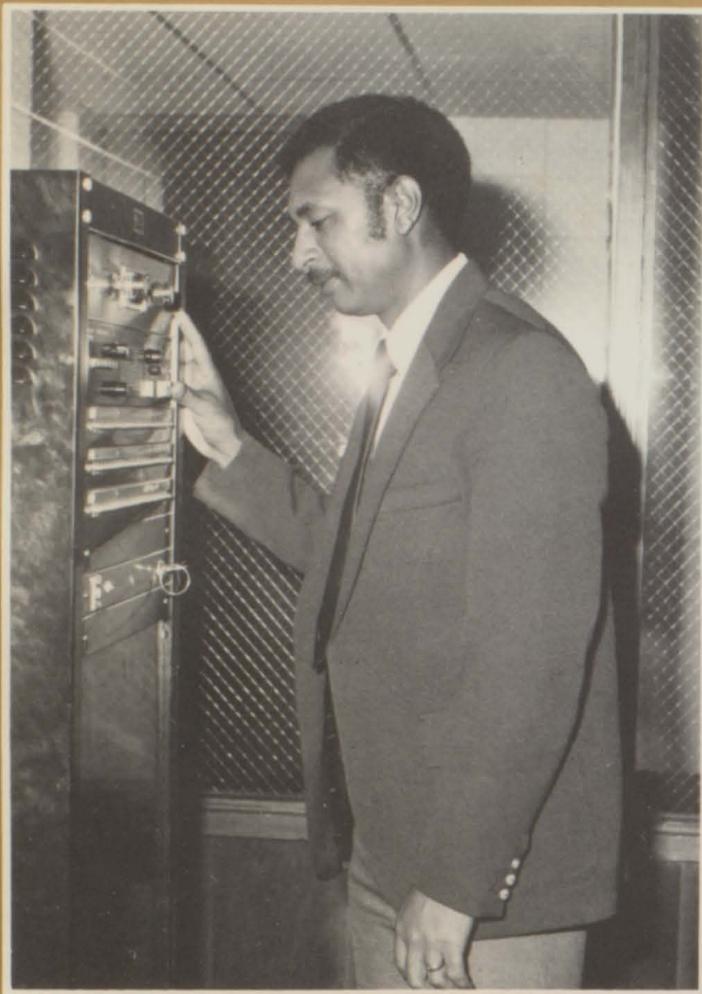

Jimmy Maffett and Carl Peaster represent the very best in coaching for many years in Macon County. These men retired from their coaching positions at the end of the 1984-85 season, and have left highlights in football and basketball history for our school.

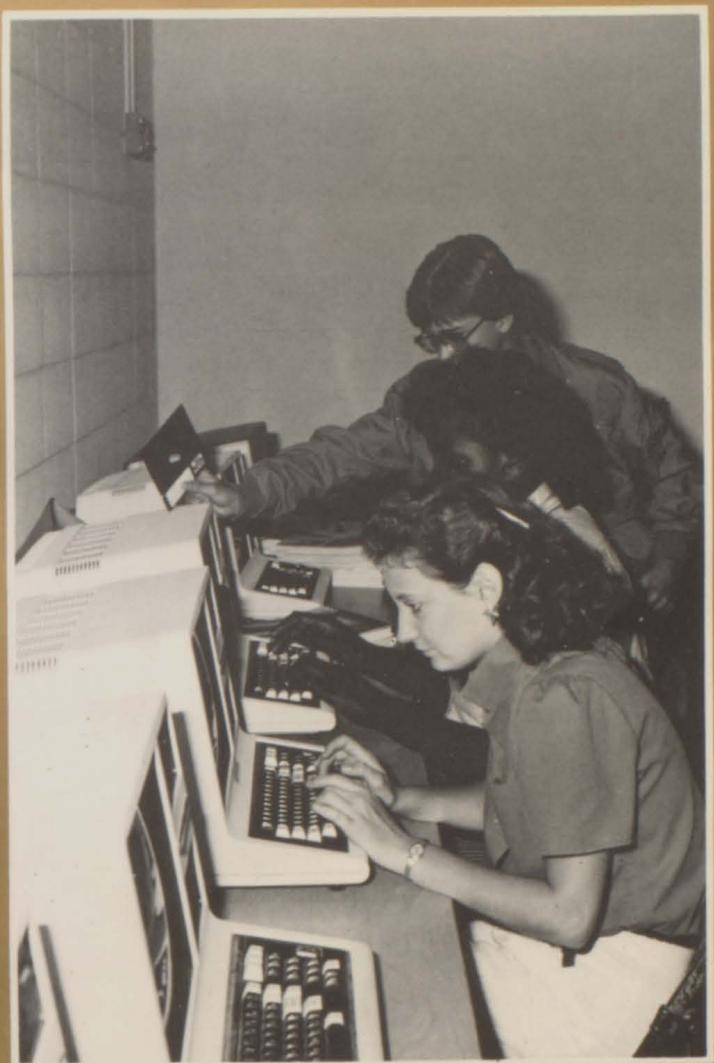

Coach Maffett received Coach of the Year in Middle Georgia, Region Coach three times, three Distinguished Coaching Awards, and three Congressional Certificates of Merit.

Coach Peaster was Coach of the Year six times, an All Star Coach, and won over 80% of games coached.

Both men claim dedication and discipline as the only course to becoming a winner. Standards set by their athletic programs over the years have given many young men and women the opportunity to grow and meet new challenges, not only on the court, but from within. These fine men have felt their daily example to the student was as important as their coaching strategies. Respect for the individual, as well as a firm belief in building team work, have lead to many winning seasons for the Bulldogs and past players.

THANKS, COACH, WE LOVE YOU.

# TIMES MARKED

# IN OUR HERITAGE

Macon County is just flowing with history and tradition. The Flint River provides fun and recreation, as well as industry. Also from all around, people come to have the experience of riding Georgia's last ferry.

Part of our heritage includes the Montezuma City Library built in 1906 by \$10,000 grant from the Carnegie Fund. It has provided recreational reading and information for generations.

Because of the excellent agricultural opportunities, members of the Mennonite sect chose Macon County for settlement, and we are proud to have them for our neighbors.

The railroad tracks are reminders of the ever present trains running through downtown, especially when you're late.

Our memories of MCHS will always hold a part in our pride. As Bulldogs we are proud of our heritage in America. We move now to make our own marks.

Hear Us Stomp."

## MEMORIES

Tubing down the river

Menonite bakery bread

Band practice in the rain

Harlequin romance novels

Batting a thousand

# CHALLENGING

Change my Coke!  
You'll never change me.

# MARKS

Bulldogs are Winners! No matter the challenge — we come back fighting.

We have an opportunity to learn many vocational skills relating to future employment and to participate in classes of drama, music, and creative writing for personal growth.

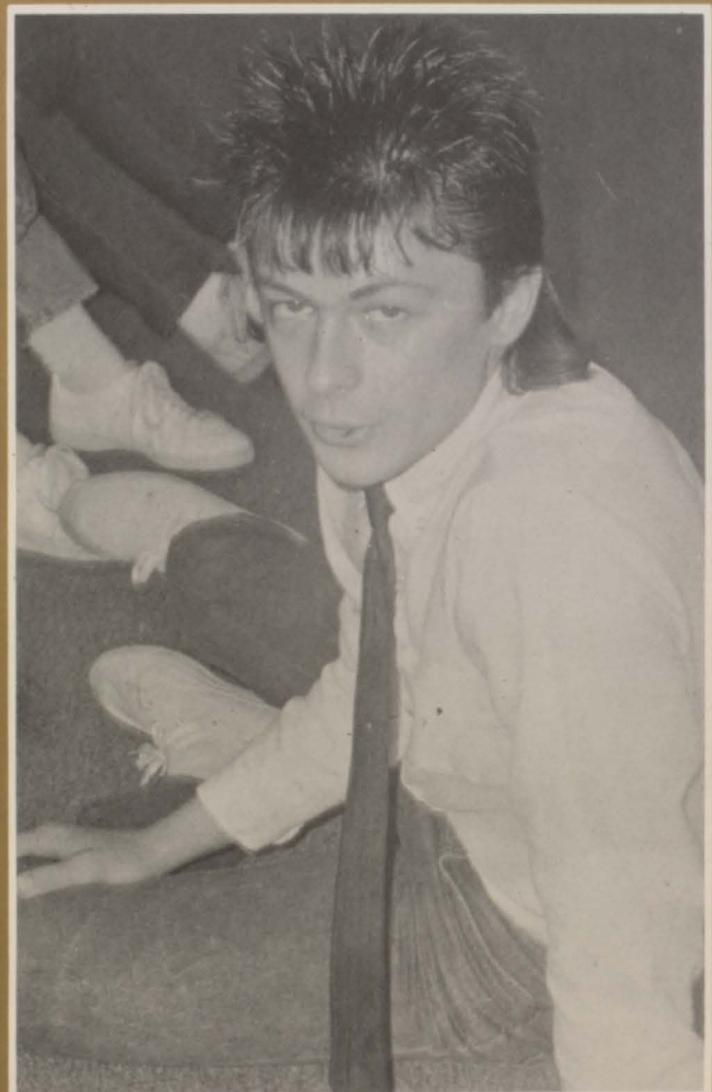

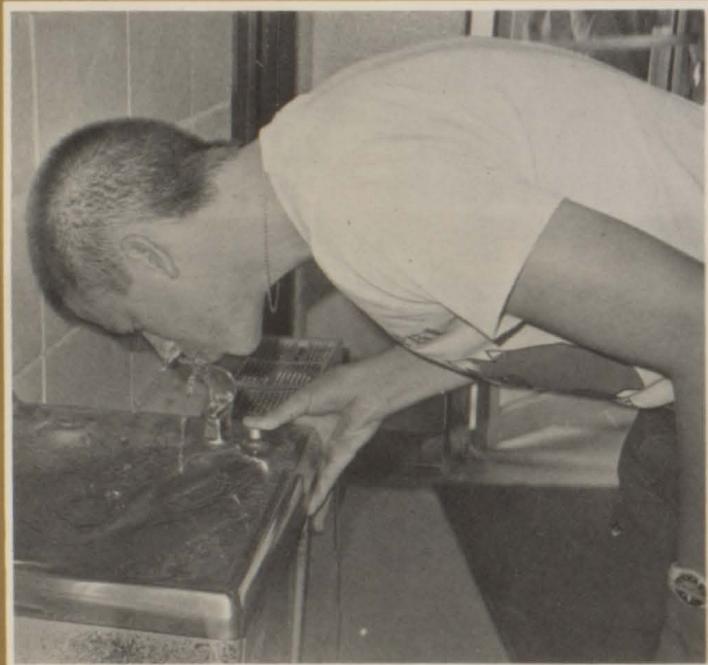

In sports, our Girls' Basketball Team met the challenge of a new coach and young players with enthusiasm and long hours of practice.

Moving our library and making necessary building repairs didn't slow our classwork down. It only encouraged us to use outside sources for information, and to be creative in keeping out of the workmen's way.

We have each other, our faculty, our Principal, our drive, and determination. We are ready for the challenge.

Hear us growl.

# MARKS OF

MCHS prides itself on achievement. In order to achieve goals students are encouraged to participate in our various extracurricular clubs and activities. One of the highest honors is to be invited to join the newly combined honor club, consisting of the National Honor Society and the Sam Jones Honor Society, which is based on the students grade-point average. A second newly formed club is the Key Club. Another honor shared by many is to be a member of one of the many different sport teams. Students are also encouraged to participate in literary events, such as the Debate team and the one-act play, so that they can earn recognition for MCHS.

Hear Us Roar!

# HONOR

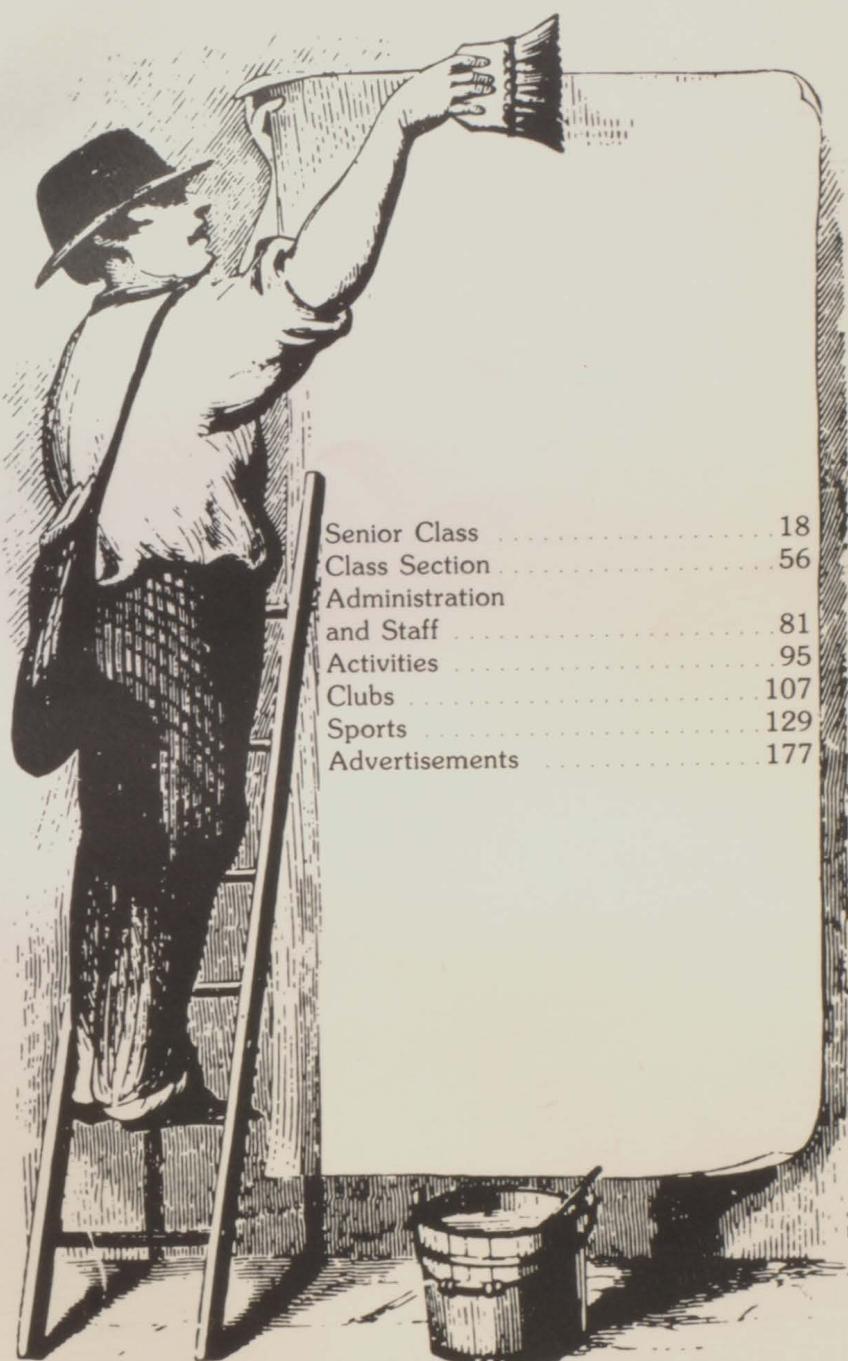

## **MRS. PATRICIA SOSBY**

## **MRS. JANICE OLIVER**

This year's Faculty Spotlight is focused on two teachers, Mrs. Patricia Sosby and Mrs. Janice Oliver. Mrs. Sosby has been a member of our faculty for five years in Social Studies. Mrs. Oliver has been with us for eight years in Mathematics. Both have given tremendous amounts of time, love, and dedication to Macon County High through planning for Student Council, Junior Senior Prom, and Homecoming activities.

Together as a team, they have accomplished much, and it gives us a great pleasure to honor these fine teachers in the BULLDOG '85 Spotlight.

## *Star Student*

The Star Student Award, given annually by the Georgia Chamber of Commerce is awarded to the senior scoring person must also be in the top ten percent of the graduating class. Cam's records included not only high academic standards, but an interest in the whole school program. This young woman plans to attend Georgia Tech and major in engineering. Cam chose Mrs. Mary Ann Jones as her star teacher, because of the great influence she has had on her education and dedication she feels for the job.

Camilla Cannon

Mrs. Mary Ann Jones, a MCHS alumni, has been teaching eleven years. She has received degrees from GA. Southwestern including a BS in Education with majors in physics and mathematics, and a MS in Education with a major in mathematics. In 1979, she participated in a DOE Energy Workshop at North Georgia College, and in 1985 attended a Workshop for Math Teachers at GA Southwestern. She has been statistician for the basketball teams, cheerleader sponsor, and is currently advisor for the National Honor Society. Her teaching schedule includes Algebra II, Geometry, and Physical Science. "Being chosen by Cam is a real thrill. As a teacher, it is very rewarding to know you have influenced someone to that degree."

# THE MARK OF A COMET

Halley's comet and the countless others that blaze across the midnight skies have had a profound effect on history. They have influenced literature, art, religion, and warfare. For years, comets have been thought to be bearers of deaths, pestilences wars, droughts, earthquakes, and floods. The Chinese who recorded the appearances of comets as early as 613 B.C., thought that the comets were celestial brooms wielded by gods to sweep the heavens free of evil. Aristotle, a Greek philosopher thought the comets were earthly "exhalations" that rose into the atmosphere and were ignited in fiery upperwinds, causing drought and high winds. In A.D. 66, Halley's comet was believed to be indicative of the fall of Jerusalem in A.D. 70. In 451, it was thought to foretell Attila the Hun's defeat. Superstition about comets has persisted into the 20th Century. As Halley's came into view in 1910, some residents of Chicago prepared themselves for death by Cyanogen-gas poisoning when as it was widely predicted, the earth passed the comet's tail. As recently as 1970 Vietnamese peasants quaked at the sight of the "sky broom," the unexpectedly vivid passage of Bennett's Comet. As the comet approaches, one can only hope that it doesn't signify great disaster. For many of us, it will be a once in a lifetime spectacle. It is thought by the Seniors of '86 to be an indication of the great success that shall befall this class.

## One-act Play

*Feiffer's People* is a satire, that takes everyday events and makes fun of them. Every actor has approximately the same impact on the play. The one-act play for 1985 was a satire written by Julius Feiffer. the play is *Feiffer's People* and it contained several short stories satirizing the everyday hypocrisies and imperfections of human nature. Fourteen students participated in this play, with each having an equal part. Those participating were: Cam Cannon, Paul Lingle, Ansley Cheves, Mark Jones, Rebecca Logue, Bobby Cottle, Ann Brown, Steve Chew, Jackie Joiner, Margaret George, Ben York, Susie Hunt, Lisa Fulks, and Linda Peterson. The Play would not be complete without Keith Driver, prompter and Tammie Law stage manager. The play was directed by Mrs. Linda Beckum.

# NEWSPAPER

This year the seniors have rejuvenated something that has made its mark on MCHS in past years — a school newspaper. Under the direction of Rebecca Logue, Editor and starter of this project, the very first issue was a success. The paper includes such features as entertainment, sports, health, current events, and student contributions. With senior leadership we would like this paper to continue to make its mark on MCHS.

# NATIONAL HONOR

The National Honor Society was founded in 1921 by the National Association of Secondary School Principals as a means of encouraging academic excellence in schools. The Thronateeska chapter of National Honor Society at Macon County High School was chartered in 1962. At that time only Juniors and Seniors could be members of the National Honor Society. To bring Freshmen and Sophomores into an honor club the Junior Honor Society was formed by and later named after the principal at that time, Sam Jones. In 1982, the National Honor Society changed the by-laws so that Senior honor societies were in Senior High schools and junior honor societies were in Junior High schools. When this happened it became necessary and desirable for National Honor Society and Sam Jones Honor Society to merge.

In the spring of 1985, the two clubs voted to merge. Leading this year are the following officers from each club.

National Honor Society  
Pres. — Cam Cannon  
V. pres. — Susie Hunt  
Sec. — Berneda Powell  
Treas. — Latrelle Barfield

Sam Jones Honor Society  
Pres. — Angela Kitchens

# ACTIVITIES

The National Honor Society is very sincere about its endeavors to be a successful organization, however, members enjoy themselves between club meetings with antics and jokes. This time is enjoyed by all, because after school work, homework, and outside work, a little fun and laughter is helpful to keep clubs, school, and community tied together for success.

# VICA

VICA means Vocational Industrial Arts Club. Students are encouraged to learn about future careers in vocational areas and to build good work habits through proper training.

Mr. Beaver: Advisor, Doug Gladden, Geneva Griffin, Jimmy Miller, Sharinette Turner, Charlotte Jones, Rodney Harp.

# F.B.L.A.

Future Business Leaders of America helps its members to understand and relate to business decisions. This year the club split into two different periods. The VOT members have separate officers and the activity period has its own officers. These groups will work jointly to carry out new ideas for the year. FBLA will promote school spirit by activities including community service, Thanksgiving baskets, Christmas Toys collection, parade entries, and remembrances for the MC retardation Center.

# F.H.A.

Members of the FHA make up a group of hardworking, intelligent, and determined students. The goal of this organization is to help youth assume their roles in society through home economics education in areas of personal growth, family life, vocational preparation and community involvement. The three state degrees available to any highly motivated FHA member are Junior Degree, Chapter Degree, and State Degree. Money from candy sales makes it possible for this club to entertain at nursing homes with birthday parties and help with many other worthwhile community projects.

## CANDY STRIPERS

The Candy Stripper group is an energetic group of young ladies that lend their help to our local hospitals on a volunteer basis. They spent various amounts of time after school and on weekends assisting the staff and patients. Their cheerful smiles brighten the day as they perform their duties. Some of these duties include: writing letters for patients, taking specimens to the laboratory, transporting patients, feeding patients, stocking supplies, and filing records.

This group activities are rewarding for themselves as well as for others.

# ANCHOR

The Anchor Club is a branch of the Macon County Pilot Club, which plans different school and community projects for each month. Some of these projects include: washing windshields for teachers, serving the community on special occasions, distributing can goods at Thanksgiving, collecting toys for needy children, and a first for the Anchor Club, sponsoring a Christmas Dance.

The members of the Anchor Club are 10th-12th grade girls, who maintain an 85 or better average with at least a B in conduct. With the help of their sponsor, Mrs. Brenda Campbell, the Anchors will continue to "make their mark" at Macon County High School.

## HI-Y

The Hi-Y Club is organized to stir up the Christian attitude in its members, not only at school, but also in the community. The club's purpose is to carry out projects which will serve the community and our school. Some of the projects that they have undertaken are going to nursing homes and day care centers, and becoming involved with the restoration of the Statue of Liberty. All activities are directed under the supervision of Mr. Walter Grey, sponsor.

## STUDENT COUNCIL

This year's Student Council, advised by Janice Oliver and Patricia Sosby, has promoted school spirit by having dress-up days throughout the year, organizing all homecoming activities, and sponsoring this year's Valentine Dance. The Student Council also helps with problems that occur during the school year, which involve the student body. The 1985-86 Student Council can be proud of contributing much to the Macon County High mark.

# KEY CLUB

At Macon County High School we have a brand new organization, the Key Club. Under the guidance of Mr. Jack Harris the Key Club is off to a great start and has already begun to make its mark on M.C.H.S.

This club is a service organization that is sponsored by the Kiwanis Club of Macon County. Its aims are to develop initiative, leadership, and good citizenship at International levels. Students learn about different places and meet new people. It is the largest service organization of its kind. Good luck in your future successes!

# HOOME COMING

Berneda Powell

Queen Berneda Powell, daughter of Mr. and Mrs. Elbert Powell of Montezuma, has been an active student during her four years at MCHS. She has participated in Student Council, Debate, Anchor, Yearbook, and National Honor Society. Her duties as a cheerleader have taught her leadership and pride. Selected to participate in Student Education Enrichment Program at the Medical College of Georgia during the summer of 1985, gave her many opportunities for learning.

This year's Queen said, "I wanted to be queen to show school spirit and to celebrate one of the happiest years of my life."

# QUEENS 1985

Jackie Joiner

Queen Jackie Joiner, daughter of Mr. and Mrs. Fred Joiner of Montezuma, recovered from an accident to find this year to be one of the sweetest of her life.

She takes her job as a student seriously, and enjoys her work with one-act play and 4-H Club. Being a cheerleader two years, involved her in teamwork and sports.

This year's Queen expressed, "I wanted to be queen to show my school spirit and to be a representative for my school."

Rebecca Logue

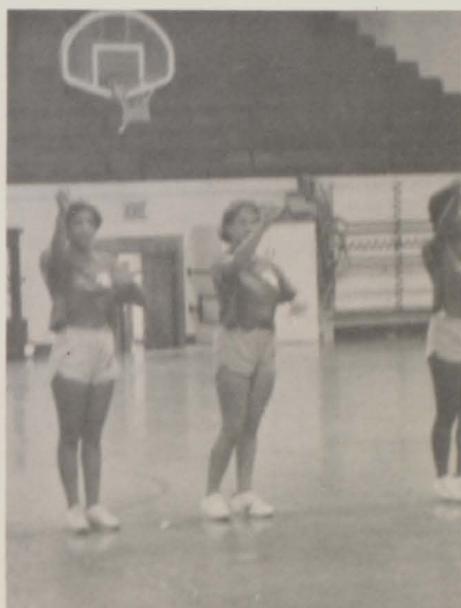

Through the years, MCHS has had many good cheerleading squads, but the 1985-86 cheerleaders were definitely the best. This was proven many times, especially at summer camp. After a long summer of jogging, weight lifting, and practicing cheers three days a week, every week, the squad attended camp at the University of Georgia, accompanied by Mr. Howard Frontz. They won three Superior ribbons, one Excellent ribbon, and the coveted Spirit Stick.

Not only was camp a success, but also the school year itself. The cheerleaders worked hard all year to support their teams, with weekly posters, spirit tags, and occasionally special refreshments. They were beside the teams in both victory and defeat, with bright smiles and words of congratulations or comfort.

The cheerleaders had an unusual problem this year — there was no sponsor. However, due to much help and support from Coach Peaster, Mr. Frontz, Mrs. Lyons, Mrs. Robinson, and the understanding faculty and student body at MCHS, the 1985-86 cheerleading squad was superb and will be long remembered.

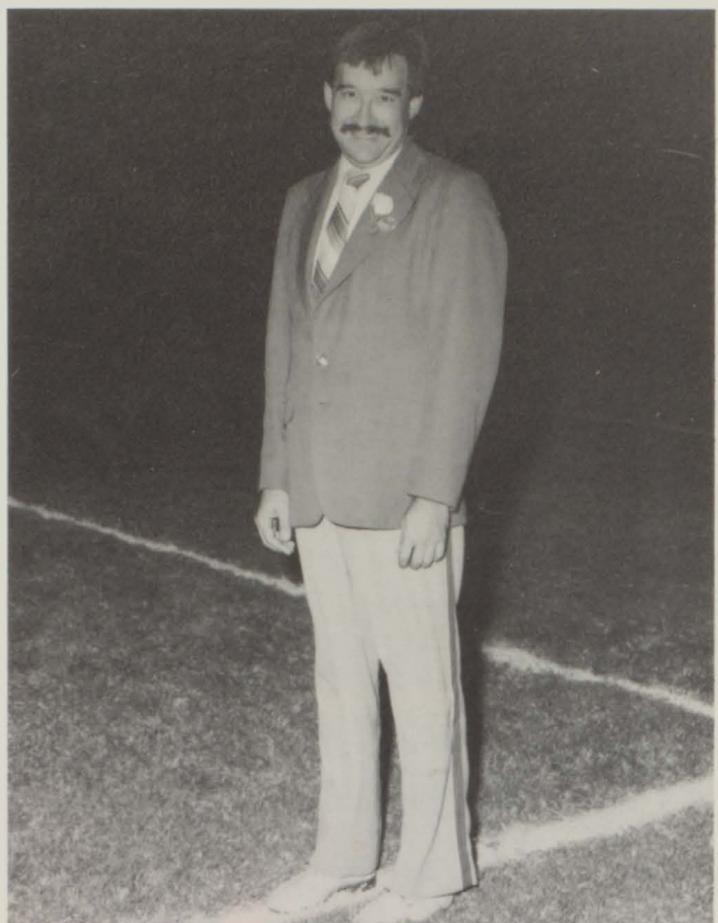

# B A N D

The Macon County Bulldog Band has been busy. Under the direction of Howard Frontz they were involved in various activities at school and in the community. They marched in the Montezuma Christmas Parade, participated in the Montezuma Deer Day Festival. They were also involved in the District Honor Band, District Solo and Ensemble, and the Spring Concert. Although performing at every home and away game was demanding the band enjoyed every minute.

Mr. Howard Frontz

# MAJORETTES

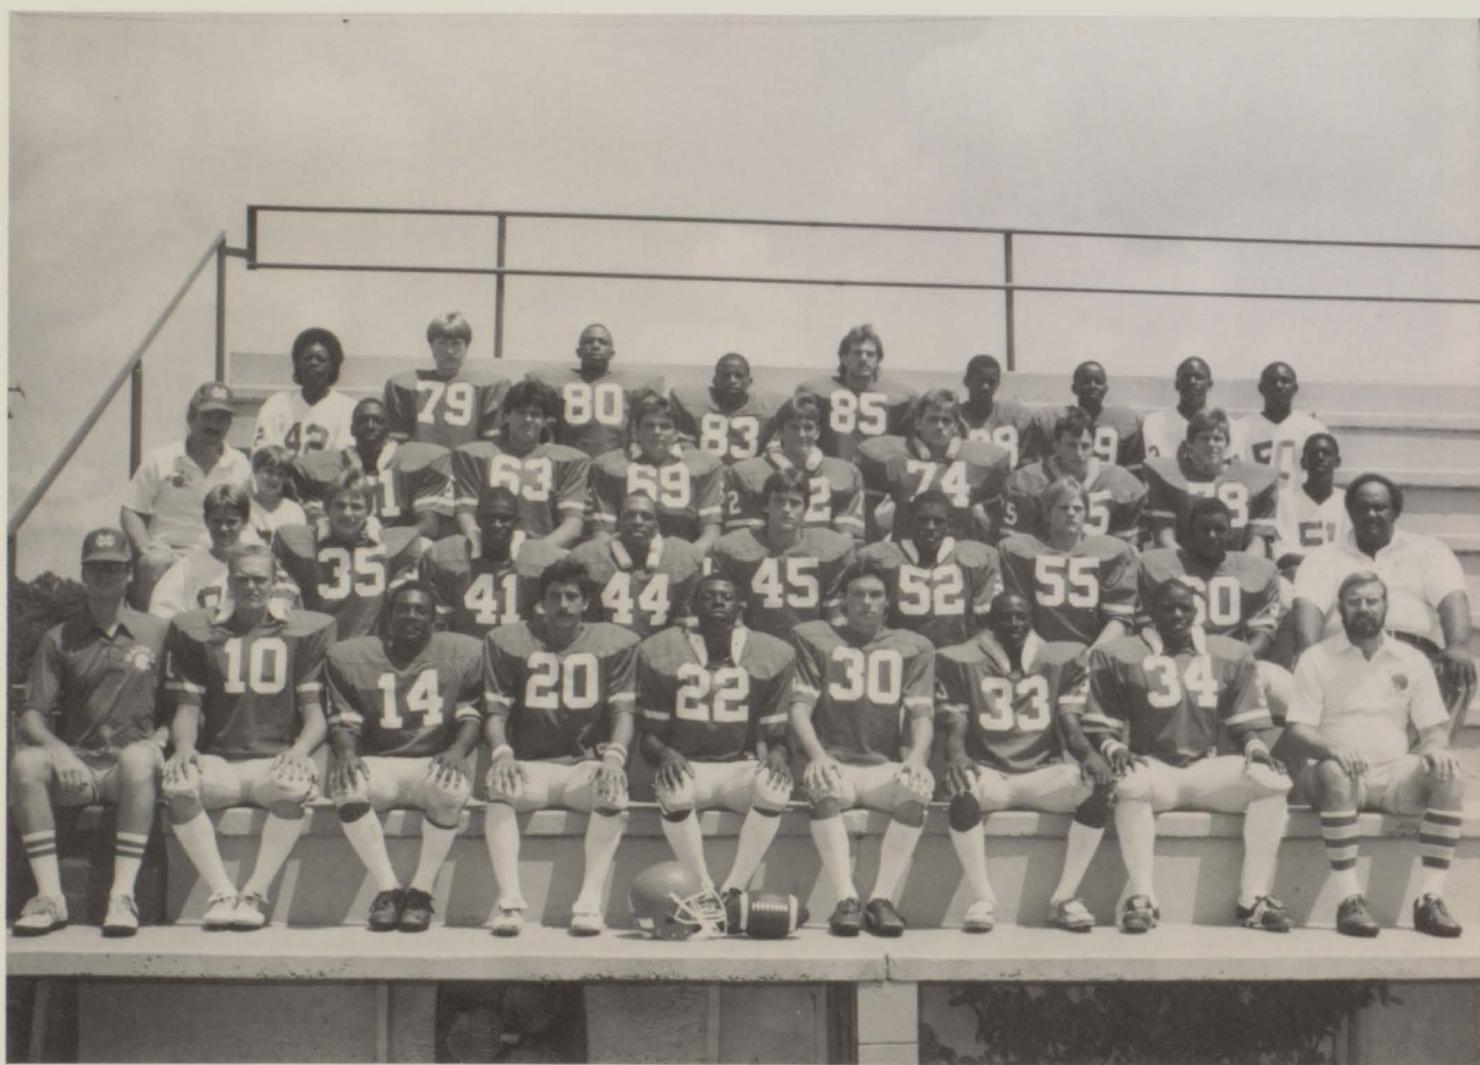

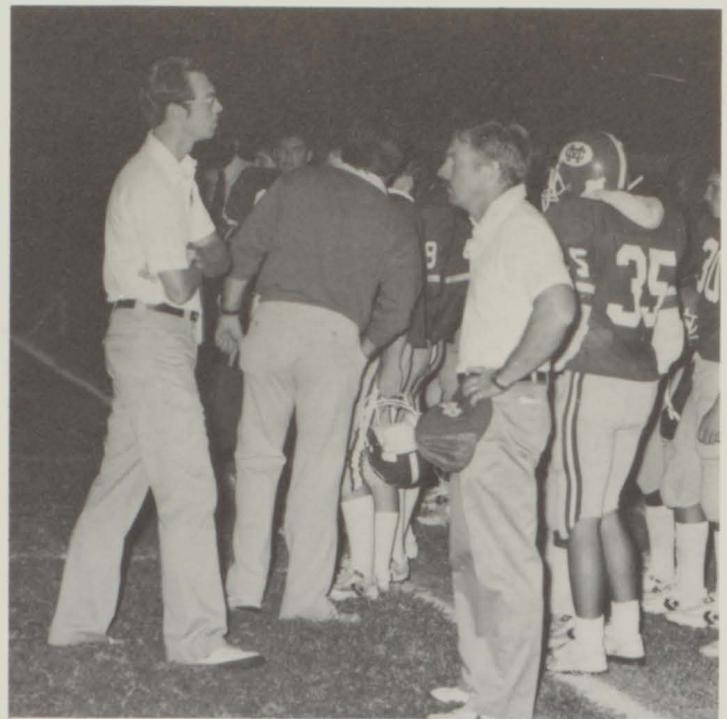

MAJORETTES: Jana McKinney, Debee Hall, Teresa Woodruff, Pansy Peaster

Our majorettes have style. These Band members are necessary to the overall success on the field for performance and appearance. However, it takes more than practice to have a good squad. They worked during the summer in a community camp for children to learn the basic fundamentals, and earned funds for new uniforms. Throughout the season, these members remained dedicated to various tasks, and made our Band the best.

# VARSITY FOOTBALL

The 85-86 Bulldog football team came under new management this season with optimistic views on the upcoming season. With only a few regular starters and a long line of underclass players returning, the team worked very hard during the summer to prepare the inexperienced team. Small size and breaks during the season led the players to a record of 1-9 on the season. Yet and still, the team never gave up and fought valiantly to the end of every game. Furthermore, all was not at loss this year because underclass players brighten the future for Macon County football with outstanding performances on several occasions. With more hard work and excellent coaching, the Bulldogs are going to be out to make their mark next year . . .

# COACHES' CORNER

Coach Jimmy Stewart, the new head football coach at Macon County High, is only the second head football coach in the school's history. Coach Stewart has come into 23 years of excellent football tradition and plans to continue doing a fine job at the helm of the team. Coach Jimmy Stewart has 12 years of coaching experience under his belt. He spent 7 years as an assistant coach at Central High in Macon where they annually have a strong program. Also he was head coach at Crawford Co. High where he led the team to its first winning season in one of AA's toughest regions, 3-AA.

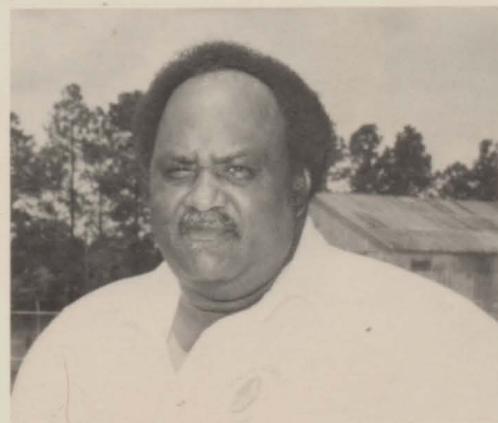

This year Coach Stewart will also teach Phys. Ed. and he is an assistant principal of M.C.H.S.

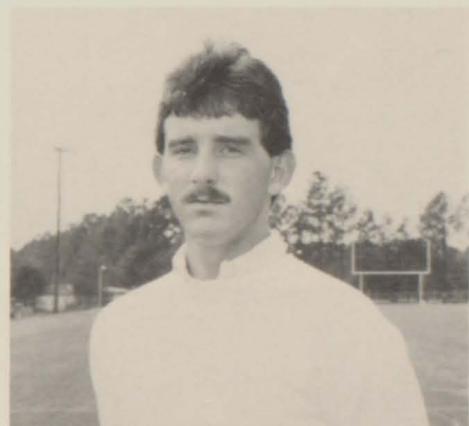

Coach Harris came from Crawford County where he coached basketball and assisted in varsity football. Coach Harris is determined to win as many games as possible and develop a winning attitude in a group of very inexperienced players. Coach Harris also is striving to have a winning season with B-Team boys basketball with lots of hard work from the coach and the players.

Coach Jim Tungate has been coaching in the Macon Co. System for 8 seasons. He has worked with B-Team Football and Basketball. Coach Tungate now assists the Varsity Football Team as a defensive coach and is the Head Varsity Basketball coach. Coach Tungate has taught at MCJH and presently teaches at the high school.

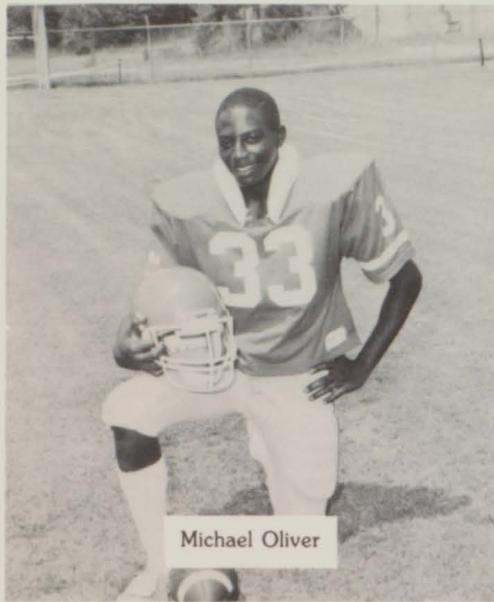

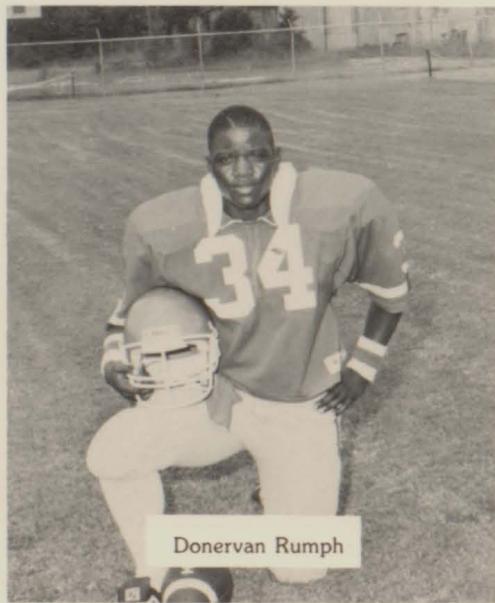

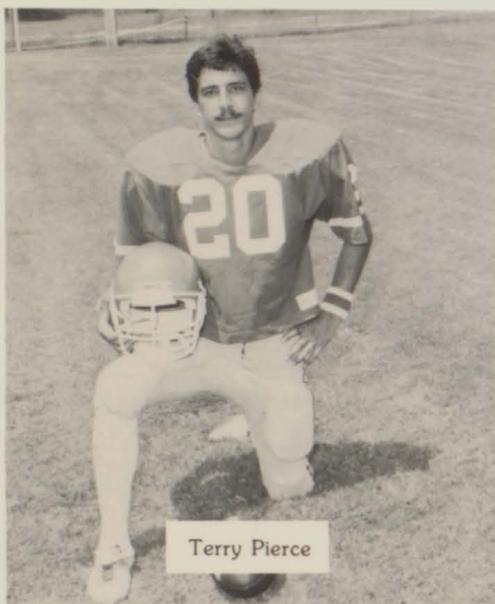

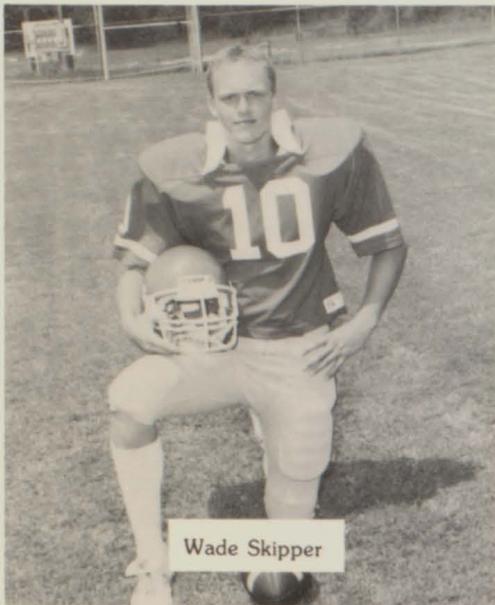

Coach Clifton Bradley, who has been coaching and scouting for over a decade, has seen many fine seasons of football at Macon County High. In addition to his high school coaching, he also teaches math at MCJH. We look forward to many future seasons of Bulldog football with Coach Bradley.

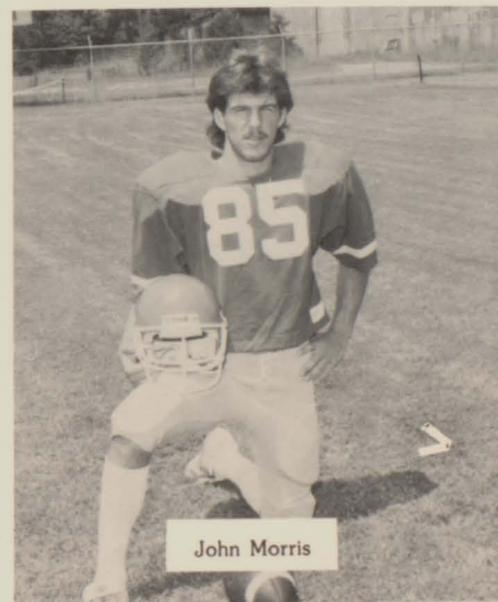

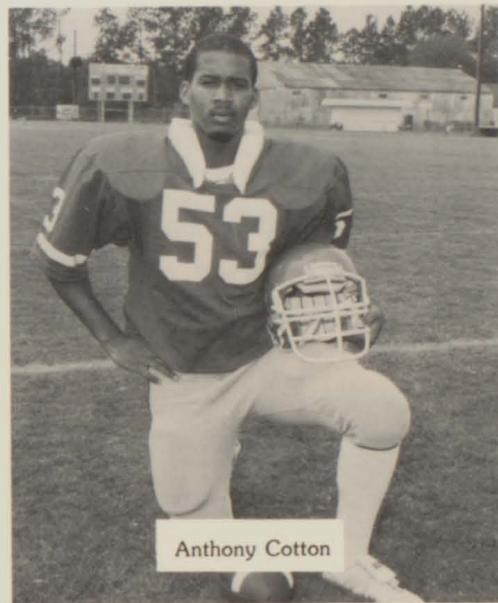

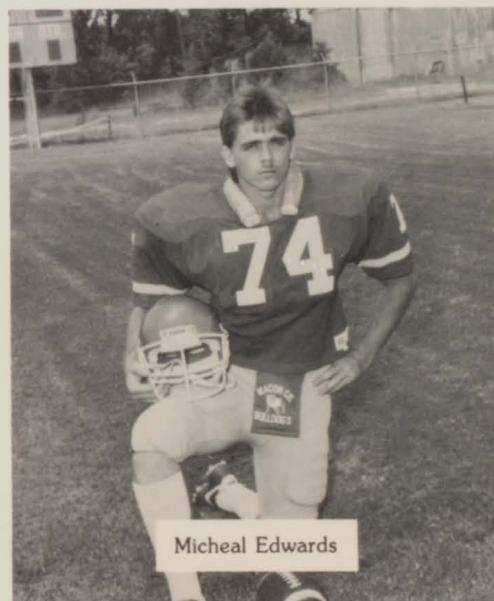

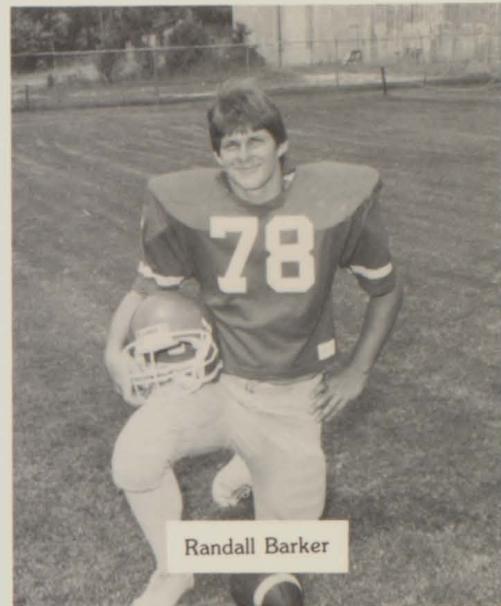

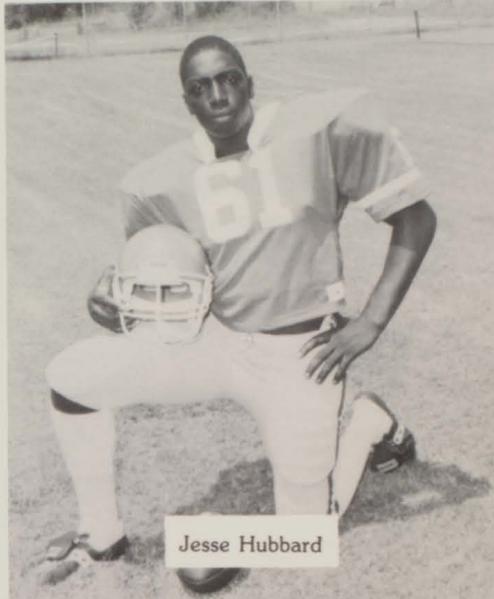

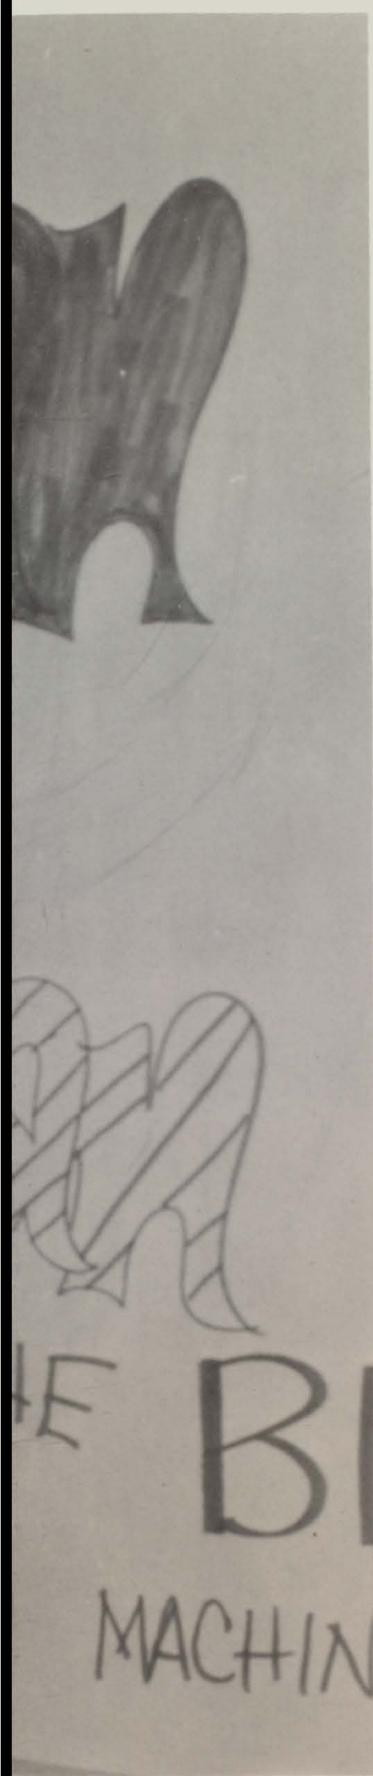

Coach Mike Hunter came from Camden High School in St. Mary's GA. He holds the position of head baseball coach and assistant varsity football coach. Coach Hunter plans to aid in the rebuilding of the football program. They lost 19 seniors and expect big things from rising players. The baseball plans are different. Coach Hunter wants to lay a solid foundation then build a program. He will work mainly on basic fundamentals which are essential in every winning programs.

# GIRLS VARSITY BASKETBALL

This year's Basketball team made some definite changes. Losing six seniors and a coach, it was practically like starting over. Under the guidance of a new coach, Mr. Joseph Lee, the girls hope to go far. His starting line up consists of 5 young girls who will be returning next year. Starting fresh, the team intends to make its mark on MCHS.

# BOY'S VARSITY BASKETBALL

The 85-86 boy's varsity basketball team are looking forward to one of the best seasons they have had in the past years. The Dogs have 8 returning players with a lot of experience along with a very large front line that makes them the team to beat in Region 1AA. Coach Tungate has drilled the team hard so that they will play up to their new found potential. With a lot of determination and practice, this will become a winning team as the boys come back to make their Mark!!

# A NEW LIBRARY

Following a three month delay in the completion of our new wing, the "shifting of the books" finally began as Mrs. Ethridge, Mrs. Harvey, and numerous students began the tedious task of setting up our new library media center. Much library material, which had been stored in huge boxes since the end of the 84-85 school term, had to be cleaned and aired before the items could be shelved. Other books and audio-visual materials which had gotten wet had to be discarded. After three weeks of unpacking, cleaning, rearranging, and hanging new location signs, the media center opened to students and faculty on November 12, 1984.

# EDITOR'S

The goal of the '86 Bulldog is to make an everlasting mark on the hearts of all who view it. I especially hope a place for this annual will always remain in the heart of the Class of '86. Long after the pages of the book has been worn from years of reminiscing (by former classmates and teachers). I would like to know that the '86 Bulldog *Made its Mark!!*

As past editors have said, writing the editor's note is the hardest task the editor faces in putting a yearbook together. Hours of hard work were exerted by a most helpful staff in making the book. Along with the staff, Mrs. Jo Campbell, the advisor, and Mrs. Carole Barfield, the staff bookkeeper, helped tremendously in putting this book together. Furthermore, our job could not be completed without the support of our principal, Mr. Carl Peaster, and regional advisor, Mr. Dave Ziegler.

Best Wishes and Good Luck,

George Larry
